- 1. (U) Reference: CIA letter dated 20 July 1983.
- 2. (U) In response to the referenced letter, the appropriate ITAC analyst has reviewed National Intelligence Estimate/NIE-18 and agrees that, from an intelligence standpoint, the document is probably unclassified. It may be prudent, however, in light of paragraphs 2.23 and 3.22 which describe possible means for the covert transportation and dissemination of CB agents, to restrict dissemination in some manner to preclude any adverse political ramifications.
- 3. (U) ITAC POC is Mr. Steven R. Tesko, 692-1796.
